WHAT TRS CAN DO FOR YOU

TRS puts our experienced and expert team of attorneys and CPAs to work to solve your tax problems quickly and affordably. We offer a free initial consultation to review your case and explain your options. We generally work on a "flat" (fixed) fee basis, so you will know how much in fees, up front, it will take to resolve your problem.

SOLUTIONS MAY INCLUDE, IF YOU QUALIFY:

... Negotiating an offer for a discounted settlement

Offer payment of a lower amount to wipe out your entire tax liability and release Federal Tax Liens.

... Asking for an appeal of the taxes owed

Request that the IRS re-examine your case in order to reduce the amount your owe

... Requesting a reduction in penalties

Present valid reasons for your tax problems and have the IRS reduce penalties to zero.

... Offering a payment plan

Offer the IRS a payment plan that is workable for you.

... Filing unfiled tax returns

You may still file original tax returns for past years, usually reducing the taxes and penalties owed.

... Audit defense

We will represent you in an IRS audit or hearing, so ***you do not have to appear***. We will also represent you before the California state FTB, EDD and BOE (sales tax).

RECENT SETTLEMENTS

Many of our clients start out by trying to handle their IRS, FTB, EDD or BOE case by themselves (or with their current CPA, attorney or tax preparer), but end up with negative results or no results at all. The professionals on our staff know the "ins and outs" of the tax system and can negotiate a solution that works for you.

"Your firm was extremely helpful to me in a very difficult situation that had been going on for years. It is a shame I didn't know about your firm sooner. I know there are hundreds of people with tax problems and there are many advertisements for help. Your firm is one of the most reasonable and the sincerity that you give your clients is beyond words. **I owed over \$100,000 and settled for just \$5,000.**"

**Michael F.
West Hills, CA**

"TRS is professional, honest, and they take the time to talk to you about the process, which can be daunting. I am debt free with the IRS. I can finally have a real life now. No more stress and worries. I'm a new person and I can't thank TRS enough **I owed \$304,231, settled for \$73.00 AMAZING!**"

**F. Felice,
Inverness, FL**

"TRS is totally responsive, helpful, reassuring, realistic, professional and accessible. I was originally concerned about the West Coast- East Coast distance between us, but TRS made it seamless. When I started out with TRS the **IRS had billed me over \$156,000** – I had no way to pay the IRS. Your intervention bought me time – and now an indescribable crushing burden has been lifted from my back."
